A Letter to my Favourite Teacher, Miss Ng

Dear Miss Ng,

How are you? Our school is heading to its 15th anniversary. I think I am happy to study in this school and also, I think I am very lucky because you are my teacher. I have learnt a lot of things from you.

When I was in primary four, I joined the talent programme. You gave me a lot of chances to learn teamwork and leadership skills. Also, you gave me a lot of chances to present myself.

I am happy to share my reading experience with you. I read the series of books, named "The Adventures of Mickey Mouse". I recommend you to read it.

I learned a lot from you. I remember all the happy moments with you. I would like to sincerely thank you.

Wish you all the best!

Yours,

Clement (from 6F)
